REASONS FOR ALLOWANCE

1. Claims 1-30 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claim 1 recites, inter alia, *a field-equalizing member arranged around a second part of the first insulating layers and a second insulating layer of a solid electrically insulating material surrounding the high voltage winding and the field-equalizing member.*

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anh T. Mai whose telephone number is 571-272-1995. The examiner can normally be reached on 5/4/9 Schedule.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Elvin Enad can be reached on 571-272-1990. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
